

## WELCOME TO THE 9<sup>TH</sup> ANNUAL LADIES FISHING DERBY

SPONSORED BY THE LAKE MANITOBA NARROWS GAME AND FISH ASSOCIATION

### WHAT'S NEW?? PLEASE READ

Because this derby is an "All Species" derby we will be using a conversion chart developed by the Manitoba Fisheries. The conversion factors were calculated using the top ten fish of each species that were reported to the Master Angler Program.

### WHAT DOES THIS MEAN??

- Fish will be measured in inches to ¼ inch. This measurement will be multiplied by the conversion factor and be given a score.
- The conversion chart has been provided.
- The 3 top scoring fish will be awarded cash prizes from 1<sup>st</sup> to 3<sup>rd</sup> place
- 4<sup>th</sup> and 5<sup>th</sup> prizes will also be awarded
- There is a hidden score prize!
